

Sample Test Paper

Name	
Contact number	
E-mail Address	
Date	

Please read the following Instructions carefully.

- You will have 1.0 hour to answer the questions.
- You are not allowed to use a calculator.
- You should use a pen to mark your answers.
- This test comprises of 4 sections (General Knowledge, Comprehensions, Paragraph Writing, Critical Reasoning and Technical Assessment).
- In the answer booklet, simply circle the correct answer for each statement, e.g.
 - a
 - **(b)**
 - c
 - d
- If you choose to change the answer, it is important that, you cross your first answer (E.g. **(a)**~~b~~~~d~~) so it does not appear that you have encircled more than one answer.
- If you encircle more than one answer to a question, it will NOT be counted as correct
- For Rough work, you can use the blank part of your Question paper. An extra sheet is also provided at the end of this question paper.
- During the evaluation, it is strongly suggested that you do not talk, whisper or turn around. In case you need any assistance, please raise your hand and someone from the team will approach you.
- Any non-compliance with instructions will result in disqualification from the evaluation process.
- The use of Cell phones is strictly prohibited in the examination room.
